

ASSEMBLY BILL

No. 114

Introduced by Assembly Member Blakeslee

January 9, 2007

An act to add Section 25216.6 to the Public Resources Code, relating to public resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 114, as introduced, Blakeslee. Public resources: carbon dioxide containment program.

Under existing law, the State Air Resources Board, the State Energy Resources Conservation and Development Commission (Energy Commission), and the California Climate Action Registry all have responsibilities with respect to the control of emissions of greenhouse gases, and the Secretary for Environmental Protection is required to coordinate emission reductions of greenhouse gases and climate change activity in state government.

This bill would require the Energy Commission to develop, on or before January 1, 2010, a program to facilitate and encourage the implementation of cost effective containment, scrubbing, and capture technologies to decrease carbon dioxide emission from industrial processes.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 25216.6 is added to the Public Resources
- 2 Code, to read:

- 1 25216.6. On or before January 1, 2010, the commission shall
- 2 develop a program to facilitate and encourage the implementation
- 3 of cost effective containment, scrubbing, and capture technologies
- 4 to decrease carbon dioxide emissions from industrial processes.
